

THARUN ETTÉ

+91 7330663804 | tharunette01@gmail.com | LinkedIn | GitHub | LeetCode

PROFESSIONAL SUMMARY

Recent B.Tech graduate in Information Technology with strong foundations in Java, Python, Data Structures, Algorithms, Web Development, and Machine Learning. Hands-on experience developing projects using ReactJS, TensorFlow, and OpenCV. Solved 100+ LeetCode problems and passionate about building scalable software solutions.

TECHNICAL SKILLS

Programming Languages: Java, Python (Basics)
Web Technologies: HTML, CSS, JavaScript, ReactJS
Databases: MySQL
Developer Tools: Visual Studio Code (VS Code), Eclipse, IntelliJ IDEA
Version Control: Git, GitHub

PROJECTS

Online Voting System with Facial Recognition | Java, OpenCV, HTML, CSS, JavaScript

- Developed a secure online voting system with facial recognition authentication to prevent fraud.
- Implemented real-time face detection and verification using OpenCV (JavaCV).
- Designed responsive user interfaces for voter registration and vote casting.
- Enhanced election security by preventing duplicate and unauthorized voting.

PLUTO – Personalized Learning Assistant | ReactJS, JavaScript, AI Integration

- Developed an AI-powered learning assistant for personalized doubt resolution and learning support.
- Implemented quiz generation and resource recommendation features based on learning requirements.
- Built an interactive user interface using ReactJS.

Plant Disease Detection Using Deep Learning | Python, TensorFlow, OpenCV

- Built a deep learning-based plant disease detection system using CNN, TensorFlow, and OpenCV.
- Applied image preprocessing techniques including normalization, resizing, and augmentation.
- Improved prediction accuracy through model training and evaluation.
- Supported early disease identification for agricultural applications.

EDUCATION

Vidya Jyothi Institute of Technology

Bachelor of Technology in Information Technology – CGPA: 7.61

Hyderabad
2021 – 2025

Alphores Junior College

Intermediate (MPC) – Percentage: 58.8%

Telangana
2019 – 2021

Chandra Grammar High School

Secondary School Certificate (SSC) – GPA: 8.8

Telangana
2019

CERTIFICATIONS

- Deloitte Data Analytics Job Simulation (May 2025)
- Tata Cyber Security Analyst Job Simulation (April 2025)
- Accenture Data Analytics & Visualization Job Simulation (September 2024)
- Cisco Programming Essentials in C (June 2022)

ACHIEVEMENTS

- Solved 100+ LeetCode problems covering Arrays, Strings, Linked Lists, Trees, Recursion, and Dynamic Programming.

LANGUAGES

- English – Professional Proficiency
- Telugu – Native Proficiency
